*Mission: "To Enter Worlds Of Brokenness In Order That All Might Experience Wholeness In Jesus Christ"*

WHM was established in 1992 by Daryl Murray as a ministry of outreach for men in recovery from substance use disorder, administered in a 24/7 affordable, "safe, healthy, family-like substance-free living environments that support individuals in recovery from

addiction." In 1999, we opened our first "Welcome Home House." By 2021, we owned and operated nine Recovery Residences to support 77 men in Recovery — eight of our nine Recovery Residences are DEBT FREE because of your financial support! In 2024 we

anticipate purchasing two additional Recovery Residences. We will have a total of 85 recovery beds in eleven Recovery Residences to serve men who suffer from substance use disorder. YOUR financial support will sustain our ministry work as we continue to grow!
